

## *Stoddard's Mission*

"Our mission is to form and sustain safe, viable and caring communities for those in need."

### **WHO IS STODDARD?**

**Steadfast....Blessed....Historic...Focused!**

Past and present leaders of Stoddard were visioners who believed in the call of serving others.

Through its current "two entities of care," Stoddard Baptist Home and Stoddard Baptist Global Care provide medical care in a home-like environment for over 400 seniors, who are unable to live independently.

Our flagship founding entity, Stoddard Baptist Home has been rated as a 5 star facility from the Centers of Medicare and Medicaid. Stoddard Baptist Global Care has a 4 star rating. In 2016 Stoddard cared for over 900 senior citizens with varied health related needs. Our programs and services include: Comfort Care, Dementia Care, Caregiver support systems, Occupational and Physical Therapy, Social Services, Cosmetology Services, Therapeutic and Recreational Therapy, clean, safe and compassionate housing and much more.

## Guide to Giving Opportunities

It is a remarkable achievement to have served and dedicated 115 years of existence to labor and care for the needs of our seniors!

Without question, Stoddard has positively touched and impacted the lives of countless vulnerable seniors. Our 115th Anniversary Celebration is testament to our faith and positive connection with our community!

In honor of our residents, pasts and present, we cheerfully extend this opportunity for you to journey "Onward and Upward" with Stoddard!

During our celebration, our goal is for both our future and existing group of friends to feel **"Recommitted"** to Stoddard's purpose of caring for seniors"; **"Reconnected"** to Stoddard's relationship with **YOU** and lastly, continue to **"Revere"** Stoddard as a prominent and necessary organization for seniors and caregivers in the Greater Washington Area and beyond!

We are also excited to share with you never before seen documents and information about Stoddard's history and evolutionary history.
