Come one, come all!

On Monday, September 18th, Stoddard Baptist Home Foundation, Inc. will host its 12th Annual **“Swing for the Elders”** Charity Golf Tournament at the Argyle Country Club in Silver Spring, Maryland.

Stoddard’s mission is to form and sustain, safe, caring and viable communities for those in need. Our two entities of care, Stoddard Baptist Home and Stoddard Baptist Global Care, both located in Washington, D.C., served over 900 seniors last year, who are no longer able to live independently last year.

Events such as the **“Swing for the Elders”** Golf Tournament raise critical funds for Stoddard’s vital programs and services such as Dementia Care, Therapeutic Recreation and Activities, Physical and Occupational Therapy, Respite Care, Resident Care/Medical Assistance and safe, comfortable and clean living areas.

Please consider supporting our organization, which has served the elder population for **115 years!**
