

## STODDARD'S MISSION

Our mission is to form and sustain safe, viable and caring communities for those in need.

## THE STODDARD WAY

The Stoddard Way is about caring for the human life in a sacred environment.

## WHO IS STODDARD?

**Steadfast.... Blessed.... Historic.... Focused**

The past and present leaders of Stoddard were visionaries, who believed in the call of serving others.

Today, Stoddard has three operating “entities of care”, Stoddard Baptist Nursing Home, Stoddard Baptist Global Care and Stoddard at the Marigold, which provide health care services in a home-like and nurturing environment for over 400 seniors, who are unable to live independently.

Our future endeavors are both progressive and expansive as we press towards our dream of building the Presidential Estates at Sycamore Hill assistant living facility in Mitchellville, Maryland in 2024.
